

## **Clough Harris Limited proposed new updated Environmental Policy Statement**

At Clough Harris Limited, we are committed to minimising our environmental impact and promoting sustainability in all aspects of our operations. We recognise the importance of protecting the environment for current and future generations, and we are dedicated to integrating environmental considerations into our business practices.

Our Environmental Policy is guided by the following principles:

1. **Compliance:** We are committed to complying with all relevant environmental laws, regulations, and standards applicable to our operations in the UK. We will regularly review our practices to ensure ongoing compliance and strive to exceed legal requirements where possible.
2. **Resource Efficiency:** We will strive to minimise our consumption of natural resources, including energy, water, and raw materials. Through efficient resource management and waste reduction initiatives, we aim to minimise our environmental footprint and promote resource conservation.
3. **Pollution Prevention:** We will take proactive measures to prevent pollution and minimise environmental pollution risks associated with our activities. This includes implementing pollution prevention measures, adopting clean technologies, and responsibly managing waste disposal and emissions.
4. **Sustainable Procurement:** We will prioritise the procurement of environmentally sustainable products and services whenever feasible. We will work with suppliers and contractors who share our commitment to environmental responsibility and promote sustainable practices throughout our supply chain.
5. **Carbon Footprint Reduction:** We are committed to reducing our carbon footprint and mitigating the impacts of climate change. We will implement measures to reduce greenhouse gas emissions associated with our operations, including energy conservation, renewable energy adoption, and carbon offsetting initiatives.
6. **Biodiversity Preservation:** We recognise the importance of biodiversity conservation and ecosystem protection. We will strive to minimise the impact of our operations on local biodiversity and ecosystems, and where possible, support initiatives to enhance biodiversity and habitat conservation.
7. **Employee Engagement:** We will promote environmental awareness and encourage employee participation in sustainability initiatives. Through training, education, and engagement programmes, we will empower our employees to contribute to our environmental objectives and foster a culture of sustainability within our organisation.
8. **Continuous Improvement:** We are committed to continuously improving our environmental performance and sustainability practices. We will set measurable objectives and targets, regularly monitor our progress, and implement corrective actions to achieve our environmental goals.

By adhering to this Environmental Policy Statement, Clough Harris Limited aims to demonstrate environmental leadership, minimise our environmental impact, and contribute to a sustainable future for our planet and communities.

This Environmental Policy Statement is communicated to all employees, stakeholders, and interested parties and is publicly available on our website.
